

Rain Garden Planting Project

May 18 • 9:00 AM to 12:00 PM

91st Place NE & NE 131st/132nd Place

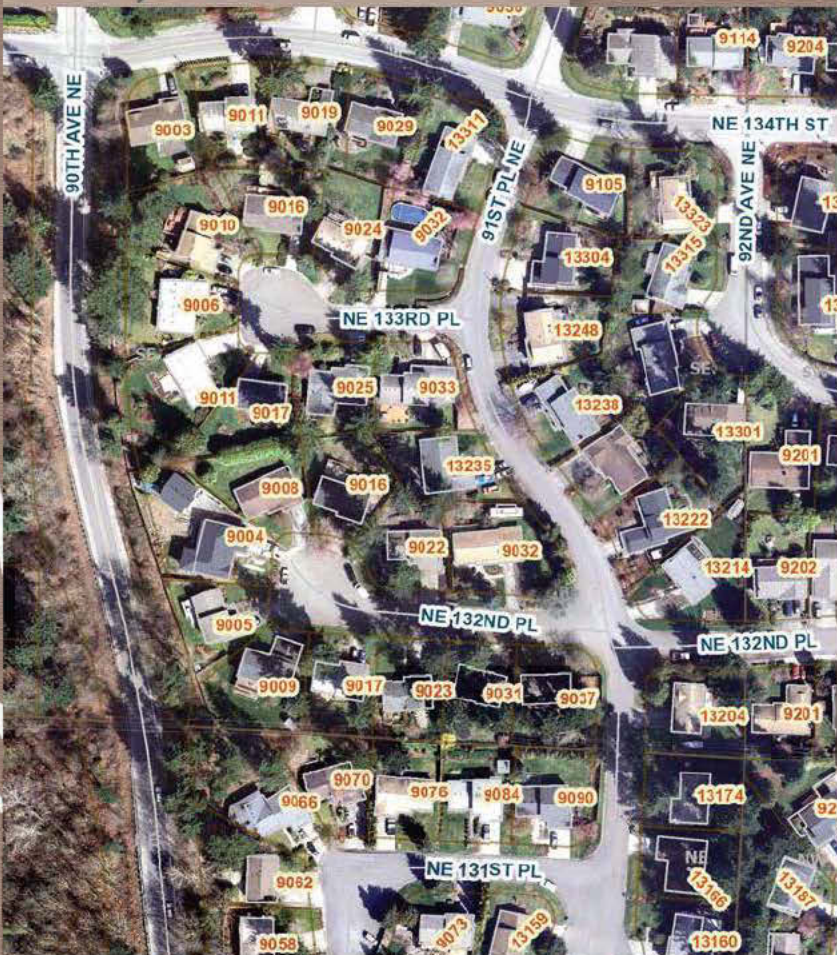

Join us for a morning of planting and learning. Get hands-on experience with rain garden installation.

The project will start with a brief presentation on rain gardens, followed by planting a cluster of gardens in the Finn Hill neighborhood.

Light refreshments and coffee will be provided.
